BROOKFIELD VETS

SPRING 2025

What's been going on in practice?

It has been an extremely busy start to 2025!

We have had a new team member join us in our Ledbury branch, we've had fabulous fund raising efforts by several members of staff, a careers day and a newly qualified Veterinary Nurse!

Read on to find out more!

BROOKFIELD VETS

Meet the Team

*1st July
6-8pm*

Join us for coffee and cake and take a look behind the scenes!

Brookfield Vets
Ledbury
01531 633922

COME ALONG TO OUR LEDBURY OPEN EVENING! **TUESDAY 1ST** **JULY 6-8PM**

Come and meet the team, have a slice of cake and a cuppa, as well as a nose around the practice! Come and chat with our friendly vets, nurses and support staff and find out a little more about our practice!

Chris completes The London Marathon!

Chris, one of our directors has completed The London Marathon in aid of Guide Dogs UK. He raised an incredible amount for the fantastic charity - over £2,000! This wonderful charity works tirelessly to help people with sight loss live better, independent lives, and makes a huge difference practically to people's lives. Did you know Guide Dogs UK is the biggest employer of specialist dedicated to helping children & young people overcome the challenges of sight loss?! Well done Chris and Thank you to Guide Dogs UK!

Congratulations Hayley - RVN

A huge congratulations to Hayley who has recently passed her OSCE's and is now a fully qualified Veterinary Nurse! You will see Hayley in our Ledbury branch carrying out Nurse consultations and also theatre admissions. Hayley is also a key member of the nursing team covering our out of hours service at our Hereford branch.

Meet Jess - our new Veterinary Nurse in our Ledbury branch!

Jess joined the team in March this year and has settled in fabulously! Jess was previously a Head veterinary Nurse in another small animal practice where she has 17 years' experience as a Nurse. We feel very lucky to have Jess as part of the team with her wealth of knowledge and experience. Jess is particularly interested in carrying out Nurse weight clinics and always striving to provide the best inpatient care. Outside of work, Jess enjoys yoga, gardening and walking in new places!

Please join us in welcoming Jess to the team! You will see her regularly in our Ledbury branch whilst in nurse clinics and theatre admissions. Jess also is another key member of staff in providing our out of hours care for your pets at our Hereford branch.

SPRING 2025

Careers Day

We recently held our very first 'Careers Day' at our Hereford branch. This was organised by one of our fantastic vets, Lauren. It was extremely popular and was very well received by all who attended. It was a great opportunity for budding young vets and nurses to have an insight into the veterinary industry.
