Saying good bye (for now) to our lovely Nikki

Join us in congratulating our lovely Nurse Nikki, and wishing her well as she heads off in March to welcome a new arrival! We enjoyed a lovely afternoon of celebrating with a baby shower, with lots of nibbles, cakes and games!

Hayley starting her RVN training

Hayley, our fabulous student nurse has now started her RVN course at Abbeydale college. She attends college every Tuesday and will spend the rest of her time in practice, swatting up on everything needed to be become a brilliant RVN in 2 years' time here at Brookfield. Join us in wishing her well with her studies!

Reception team

The reception team here at Ledbury have been upping their skills! Tracy & Tara are now working towards their Silver Accredited Veterinary Receptionist award, and Tracey is going for gold with her accredited Gold Veterinary Receptionist award too!

A huge welcome to our new member of the team- Rene!

Rene has worked in Veterinary practice for 20 years after qualifying in 2007. She enjoys all aspects of nursing but has a particular interest in caring for our feline friends. She is also a clinical coach within the practice, and will be helping Hayley through her studies. She is settling in brilliantly and we are so pleased to have her! Join us in giving Rene a very warm welcome!
